Passing the CLEP History of the United States exam requires a solid understanding of the key concepts, events, and figures that have shaped the nation's history. Our comprehensive study guide will provide you with everything you need to know to prepare for this exam and achieve success.

What is the CLEP History of the United States Exam?

The CLEP History of the United States exam is a standardized test offered by the College Board. It is designed to measure your knowledge of US

history from the colonial era to the present day. The exam consists of 120 multiple-choice questions and has a time limit of 90 minutes.

To pass the exam, you will need to score a minimum of 50 out of 80 points. A passing score will earn you 6 hours of college credit that can be applied to a variety of degree programs.

How to Study for the CLEP History of the United States Exam

The best way to prepare for the CLEP History of the United States exam is to create a study plan and stick to it. Here are some tips for effective studying:

- **Start early:** Give yourself plenty of time to prepare for the exam. Start studying at least 6 weeks in advance.
- **Create a study schedule:** Set aside specific times each week to study for the exam. Stick to your schedule as much as possible.
- **Use a variety of resources:** Use a variety of resources to study for the exam, such as textbooks, online courses, and practice exams.
- **Take practice exams:** Take practice exams to help you identify your strengths and weaknesses. This will help you focus your studying on the areas where you need the most improvement.
- **Get a good night's sleep:** Get a good night's sleep before the exam. This will help you stay focused and energized on test day.

What to Expect on the CLEP History of the United States Exam

The CLEP History of the United States exam is divided into six sections:

1. **Colonial America (1565-1763):** This section covers the period of European exploration and settlement of North America, as well as the founding of the thirteen colonies.
2. **The American Revolution (1763-1789):** This section covers the causes and events of the American Revolution, as well as the founding of the United States.
3. **The Early Republic (1789-1848):** This section covers the early years of the United States, including the presidency of George Washington, the War of 1812, and the westward expansion of the nation.
4. **The Civil War and Reconstruction (1848-1877):** This section covers the causes and events of the Civil War, as well as the Reconstruction period that followed.
5. **The Industrial Revolution and the Progressive Era (1877-1920):** This section covers the period of rapid industrialization and social change in the United States, as well as the Progressive Era.
6. **The 20th Century (1920-present):** This section covers the major events of the 20th and 21st centuries, including the Great Depression, World War II, the Cold War, and the Vietnam War.
