Print length : 452 pages

The book is divided into three parts:

1. **Part 1: The Basics of English Grammar**
2. **Part 2: Intermediate English Grammar**
3. **Part 3: Advanced English Grammar**

Part 1 covers the basics of English grammar, including the parts of speech, sentence structure, and verb tenses. Part 2 covers more intermediate grammar topics, such as modal verbs, conditionals, and reported speech. Part 3 covers advanced grammar topics, such as complex sentence structures, passive voice, and the subjunctive mood.

The book also includes a number of helpful appendices, including a glossary of grammatical terms, a list of irregular verbs, and a guide to punctuation.

Whether you are a native speaker of English who wants to improve your grammar skills or a non-native speaker who is learning English as a second language, this book can help you. It is a comprehensive and easy-to-use resource that will help you master the grammar of English.

Reviews

"This book is a must-have for anyone who wants to improve their English grammar skills. It is clear, concise, and comprehensive, and it covers all the essential grammar rules. I highly recommend it." - **John Smith, native English speaker**

"I am a non-native speaker of English, and this book has been invaluable to me. It has helped me to improve my grammar skills significantly. I highly recommend it to other non-native speakers of English." - **Maria Garcia, non-native English speaker**
