The Rosetta Stone: A Key to the Past

The Dead Sea Scrolls: A Window into Ancient Beliefs

Found in caves near the Dead Sea in the 1940s and 1950s, the Dead Sea Scrolls are a collection of ancient Jewish texts that have shed unprecedented light on the religious and intellectual life of the Second

Temple period. These scrolls, written on parchment and preserved in jars, provide invaluable insights into the beliefs, practices, and spiritual struggles of ancient Judaism.

The Pompeii Excavation: A Frozen Moment in Time
