The book is divided into three parts:

1. Part 1: The Basics of Scholarly Writing

This part covers the basics of scholarly writing, including how to choose a topic, conduct research, and write a research paper. It also includes

chapters on style guides, citation, and references.

2. **Part 2: The Process of Publishing in Academic Journals**

This part covers the process of submitting a paper to an academic journal, including how to choose a journal, write a cover letter, and respond to peer review. It also includes chapters on open access publishing and data management.

3. **Part 3: The Life of a Scholarly Article**

This part covers the life of a scholarly article after it has been published, including how to promote your work and measure its impact. It also includes chapters on the use of social media in scholarly communication.
